

Calling Master's and PhD students

NITheCS

National Institute for
Theoretical and Computational Sciences

IDEATION WORKSHOP

What can technology do for young people in South Africa?

Explore bold ideas using technology, AI and data to improve young South Africans' financial lives.

Four hours

In person

No finance background needed

A South African financial services organisation is seeking **seven students** from the NITheCS community. Bring your curiosity, constructive debate and fresh perspectives. Work in small teams to develop ideas and test whether they can be built, funded, trusted and legally implemented.

DATES & VENUES

Friday, 9 October 2026

NITheCS Seminar Room,
Stellenbosch University

Wednesday, 14 October 2026

NITheCS Seminar Room,
University of the Witwatersrand
