UNITED NATIONS OFFICE ON DRUGS AND CRIME

HACKATHON

13-15 September 2024

$70,000 in Knowledge Token® and Internet Computer awards and prizes to be won

You're invited to attend the opening talk of the UNODC Hackathon online:

Friday, 13 September 2024 @ 13h00-16h30

--- All are welcome to attend online ---

The **Coding4Integrity 2.0 series** is part of a new 3-year series of United Nations Office on Drugs and Crime (UNODC) Coding4Integrity hackathons, made possible through the partnership of UNODC, UN Global Resource for Anti-Corruption Education and Youth Empowerment (GRACE), Knowledge Foundation and DFINITY Foundation. It is being hosted by the Computer Science Department at the University of Pretoria, in collaboration with Stellenbosch University, NITheCS and the Knowledge Foundation.

CODING COMPETITION

The 2-day coding competition runs from 09h00 on 14 September until 17h00 on 15 September 2024. Young software developers will be challenged to create a digital AI-based learning environment on anti-corruption, focusing on the themes of AI and Decentralized Commerce (DeComm).
