“The beauty of quantum mechanics”

ABSTRACT

The beauty of quantum mechanics is explored through our research activities, in a journey from noncommutative quantum mechanics to quantum information theory.

BIOGRAPHY

Laure Gouba is a visiting scientist at ICTP/Trieste in Italy, where she has been staying since 2010. She is a AIMS-NEI community member, a member of the ICMPA-Unesco-Chair/Cotonou in Benin, a former postdoctoral fellow at NITheP/Stellenbosch in South Africa and a former ICTP regular associate.
