

# fundamano

Explore the secrets of understanding mathematics in this first-ever theatrical production of its kind on the planet! Organized in celebration of the International Year for Basic Sciences for Sustainable Development, under the auspices of the National Institute for Theoretical and Computational Sciences, the Academy of Sciences of South Africa and the Department of Science and Innovation, this first performance in a series, features scholars passionate about mathematics and the arts.

7:00PM 4 NOVEMBER 2022
